

Christmas Card for Sara

"Dear Sara,

As we celebrate this special time of year, I want to wish you a Merry Christmas from the bottom of my heart. Your love for Musica adds such a beautiful melody to our lives, and I am grateful to share this holiday season with you.

Did you know that in Marilia, we have a unique tradition of 'Noels'? These are groups of children who sing carols on Christmas Eve, visiting families to share their music and receive gifts. It's a heartwarming custom that highlights the spirit of community and generosity.

I remember the joy on everyone's face when I sang with the 'Noel' group in my neighborhood, and I hope we can recreate that magic together in the coming year. Let's also make time to visit the Compras do Dia (Christmas Shopping Bazaar) in the Santa Barbara Church. It's a fun tradition where families gather to buy unique items and treats from local vendors.

May the magic of Christmas fill your heart with peace and joy. Here's to creating more wonderful memories together in the coming year, filled with the warmth of Marilia and the love that we share.

With all my love,

Allan"
